Creating Possibilities Through Philanthropy

National Philanthropy Day Awards Luncheon - 2022 Sponsor Benefits

On behalf of the Board of Directors of the Association of Fundraising Professionals Orange County (AFPOC) and our Honorary Chairs, Victoria and David Collins, we are excited to announce the presentation of the 37th annual National Philanthropy Day (NPD) Awards Luncheon on Thursday, November 17, 2022, at the City National Grove of Anaheim. This event honors outstanding volunteers, philanthropists and organizations throughout Orange County whose dedication and generosity greatly enrich the quality of our community.

As we face unprecedented times in our history, it is the humanitarian and philanthropic efforts of those who go above and beyond and in ways we never thought possible, that create brighter futures for our communities, our nation and around the world. It is in this spirit that we will honor those who are **Creating Possibilities Through Philanthropy** at our luncheon this year. We invite you to join us in celebration of philanthropy in Orange County by supporting the valuable charitable work of our community's philanthropists. By becoming a sponsor of this year's NPD Awards Luncheon, your meaningful support is a public affirmation of your enduring commitment to our community. Your support provides you with an opportunity to express gratitude to every honoree and to be recognized by hundreds of the county's most prominent nonprofit ambassadors who participate in this event every year. It is the generous support of the community through sponsorships that makes this celebration possible.

Please take a moment to review the following Sponsor Benefits to consider how you can show your support of our philanthropic community. NPD is the one time each year we come together to celebrate and honor people who have made a positive impact through their valuable gifts of time, talent and treasure. Net proceeds of the event support the work of AFPOC, including advocacy, philanthropic research, continuing education programs, and professional certification programs. As one of the largest and most active chapters in the nation, AFPOC is a 200 member, highly respected trade organization that promotes the ethical advancement of philanthropy.

We would love to talk to you if you have any questions. For more details or to confirm your sponsorship, please contact Chanda Parrett at (949) 293-2466 or chandaparrett@gmail.com or Michael Lawler at (817) 471-0623 or mycldl@hotmail.com. Thank you for your consideration and partnership in support of philanthropy in Orange County.

Sincerely,

Chanda Parrett
